

## 06

Pour chacune des figures suivantes, construire la réflexion d'axe  $(\Delta)$ .

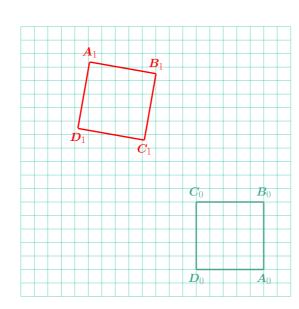

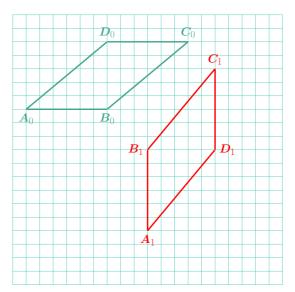

## **07**

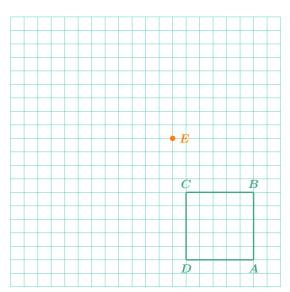

Construire l'axe  $(\Delta)$  transformant la figure verte en la figure rouge par réflexion.

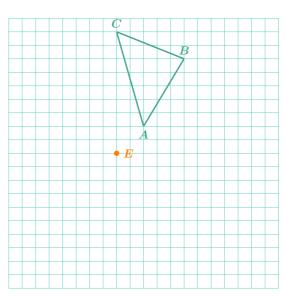

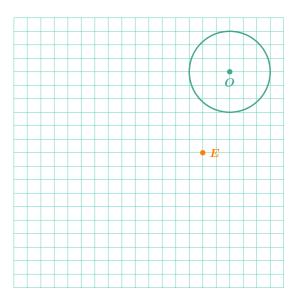

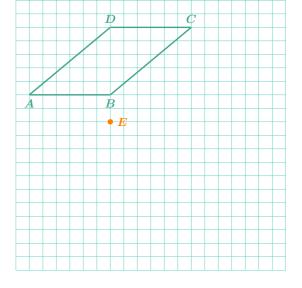

## 80

Pour chacune des figures suivantes, construire la symétrie centrale de centre  ${\cal E}.$ 

## 09

Pour chacune des figures suivantes, construire le centre E transformant la figure verte en la figure rouge par symétrie.
